

## Detailed Aluminum Rims and Tire Cleaning

Presented By: [www.dieselbombers.com](http://www.dieselbombers.com)

Brake Dust And Road Grim Can leave you in Tears and Blisters After trying a ton of different arsenals in getting my rims back to normal status , I finally Gave up as I went through countless Powerballs , And Sets of lug Nuts Removing the tires to clean them . And Still not being happy with the outcome.

That was until I found the Right Combination

The Key is this Product ...

**"Greased Lightning's Orange Blast"**

From: A&M Cleaning Products, Inc. South Carolina

Available at Meijer or online for around \$3

That's what will clean your rims now for the white letters There's only One way to go

**"Westley's Bleach White"**

Available at AutoZone and Advanced Auto Parts

## Additionally You Will Need

A Sponge

Car Wash Soap

Hard Bristled Brush

Water Hose

A Bucket and Something to Sit On

Heres What we have to work with a Dirty Tire and Rim

Step 1:

Soak Rim With The Orange Blast

**Brush the rim real good**

**Hose Off & Walla**

**Step 2:**

**The "White" Letters**

**Soak Just the White Letters with Bleach White**

**Brush**

**And Hose Off**

**Step 3:**

**Use the Car Wash Soap and Sponge and suds up the tire and rim real good And Hose Off**

**Yeah Baby!**

**Oh You Say I Cheated Because the Finished Product is still Wet .....**

**What Do You Say About this then ...**

**Enjoy !**
